Re: Tomasz Oleniacz

To Whom It May Concern:

I am the owner of an architectural firm in Washington, DC, and have had the pleasure of knowing Tomasz Oleniacz for more than 4 years. In that time, he has worked part-time for us in various capacities, mostly centered around the computer systems in our office.

I have found Tom to be an intelligent, diligent and personable employee. I always counted on his work to be performed efficiently and completely, often in ways that exceeded my expectations. He was a quick learner, adapting to new situations with confidence and ease. He always displayed the highest standards of personal character and was someone in whom I could place my complete trust.

I feel comfortable in giving to you the highest of recommendations for Tom, for whatever position he is seeking.

Please feel free to contact me by phone or email with any questions.

Sincerely,

Christopher R. Snowber AIA
